

Your job with a clear goal: #climatepositive

MVV Environment Limited is a wholly-owned subsidiary of MVV Umwelt GmbH and MVV Energie AG, which have more than 50 years of experience in operating high efficiency waste disposal and energy generation plants. Our Group is one of the market leaders in the generation of energy from waste. In the UK we currently operate Energy from Waste facilities in Plymouth and Dundee and a Biomass facility at Ridham Dock (Kent).

Please send your CV and covering letter to recruitment@mvvuk.co.uk

The closing date for applications is Friday, 31st May 2024
